(NUN)

Ancient (**TaMa-Rean**) Egyptian Word and Principle for 1st, Prime, **Hidden Potential** and **Infinite Possibilities**. The Original Creative Forces of the Universe (Nature), the **Black Light** of **Intellect (Mental Energy)**, the **Black Waters** or **Celestial Waters** known as the **Etheric Realm**, formless **Ethers**, Un-manifested energies, Nameless.

The Eternal Now!

*“As **African People** our **Minds** are linked to **ALL Eternal** and **Almighty Nature**, what we can conceive in our **Minds** will be, see it and so shall it be seen”. – **Neb Heru***

“YOU” –The Real Student of Life!

“With the **Ankh “Master Key”** in Her or His possession, the **Initiate** may unlock the many doors of the **Mental** and **Psychic Temple of ALL**, thus gaining **The Right Knowledge, Right Wisdom** and **The Right Overstanding**, and enter the same freely, using the **GOD Mind** you have (**As the Children of Nature and the Initiates of Life**) or the **Mind of Mental**, which is **GOD**. This explains the **true Nature of Energy, Power, Matter, Existence**, and why and how all these are subordinate to the **Mastery of Mind**, and that each **Mind** is a **slave to the Mental, the Force of Ether**, which controls the **Action of Matter.**”

One of the old **Tehuti Masters** wrote, long ages ago: “He or She realizes that “**ALL**” is, and these words are as true for all time. Without this **Ankh “Master Key”**, mastery is impossible, and the **Initiate** knocks in vain at the many doors of the **Temple**, and is met by **false Teachers of Ghost, Illusions, Spooks, Fictions, Beliefs, and Myths**, given false hopes. **No Facts, No Confirmations, No Truth**, just lie after lie. The Light is devil’s (**Six Ether Death Forces in Nature**) tool. **Darkness** is the home (**Abode**) of **GOD (Deity, Neteru) Peace**

ANKH - The Master Key

Question: What is the Master Key?

Answer: The Master Key is based on absolute Scientific Laws of Nature (**NUN**), Facts, and will unfold the possibilities that lie dormant in **each individual**, and teach how they may be brought into powerful action, to increase the person's effective capacity, bringing added energy, "**Conscience**" the ability to discern from what is right from that which is ultimately wrong in one's life. The Person possessing the **Master Key** will find vigor, a renewed excitement for life and mental elasticity. The Person who gains an overstanding of these **Natural Mental Laws of Nature** which are unfolding will come into the possession of an ability to secure results

What is Qatum Physics?

undreamed of, and which has rewards hardly expressed in words. You as **Ancient Egyptians** have finally arrived where you can take your place as **Divine Rulers**, of **PTAH-NUN** (Earth), **PAA RE** (THE SUN) and **PAA PAUT** (THE ALL).

With the use of **the Master Key** you will learn the use of “**Mind Power**”, which is true **God Power**, **Ruler Ship**, which is **Deity Ship**. Re-learning how to use the hidden (**AMUN**) powers of your **Mind** has nothing to do with **Magic** or **Hypnotism**, even though to the unlearned these concepts were birth. When we are back in our right state of **Mind Power**, what seems like **Magic** and **Miracles** to the unlearned and unknowing onlooker, will be simple **Fundamental Laws of Nature**.

Possessing the **Master Key** allows the Person to cultivate and develop the overstanding which will enable the Person to control the body and thereby the Health. Having the **Master Key** in your possession improves and strengthens the **Mind** and **Memory**. It develops insight and foresight, the type of insight and foresight that is so rare, the kind which is the distinguishing characteristics of every successful, and “**Powerful and Great Ancestor**” of the past.

What is Qatum Physics?

The Master Key develops **Mind Power** which means that others instinctively recognize that you are a person of force, of character – that they want to do what you want them to do in the “**Positive**”; it means that you “**attract**” people and things to you; that you are what some people call “**lucky**”, that “**things**” come your way with easy, that you have come into the an **overstanding** of the **Fundamental Laws of Nature**, and have put yourself in harmony with them; that you are intune with **Infinite Nature**; that you **Overstand the Law of Attraction, the Natural laws of Growth and Change**, and the **Inner Laws of Nature** on which all advantages in health, Social and Business World rest.

Mental Power (**The Master Key**) is creative power which is **GOD Power**, gives you the ability to create for yourself; it does not mean to take something away from someone else. Nature never does things that way. Nature the Ultimate provider makes two blades of grass grow where one grew before, and **Mind Power** enables people to do the same thing.

With the **Master Key** in your possession you will see that it helps you to develop insight, increased independence, and the ability to be helpful. It destroys, fear, distrust, depression,

melancholia, and every lack, limitation and weakness, including pain and disease. It **awakens buried talents, supplies initiative force, energy, and vitality. The Master Key** awakens an appreciation of the **beautiful** in your own **race, self pride** and a sense of **inner greatness**. You will learn to rise, not fall back in love with self and kind again, and have a greater appreciation for your great Ancient Culture and the great minds of your **Ancestors**.

The Master Key has changed the lives of all the **Great Men** and **Women** of today and of our Great Ancient Past, the True Egyptian know today as **Nuwaupian**. This is truly our day and time! Once you learn to substitute definite **Principles of Nature** which is the **Laws in Nature**, the facts, for beliefs, hazy methods, and principles for the foundation and **Fundamental Laws of Nature**, a great inner strength will arise. You will have facts beyond a shadow of a doubt that your **Ancient Ancestral Forces of Nature** are with you, in you, and working for you in your everyday life.

Having the **Master Key** you will learn **Sound Right Reasoning**, in ancient **TaMa-Re (Egypt)** called **Nun**. **The Master Key** teaches **Right Principles**, and suggests methods for making

What is Qatum Physics?

“Practical Application” of the **Principles**. With the **Master Key** in your possession you the true student of **Ancient Egypt**, you will learn the value of **“Application”**, you will now sit amongst the **Doers**, the **Knower’s**, and those who **Reason**. With the **Master Key**, the true Student of **Egypt**, will learn the value of putting to practice **the Eternal and Almighty Laws of Nature**, with this you see **True Facts** manifest not spooky beliefs.

In this new Millennium, Science has taken on new leaps, and bounds. They have tapped into more **facts** about the vast universe and its infinite possibilities. In this new Millennium called the ***Solar Cycle of RE (RA)*** People are learning the value of **the Mind**, and **the Mental Universe**, we are all learning **Mind over Matter**. Grab your **Master Key** and come up here and join us true **Mental Giants**. The Whole World is on an Eve (**Neith – Biaps the Mother of Energy, Mitochondria DNA**) of a new (**NU or NUN**) Consciousness.

What is Qatum Physics?

Question: What is Qatum Physics?

Answer: The Word **Qatum** coming from Ancient Egyptian Mystery Language called Nuwaupic meaning “**Melanin**” and according to the Merriam Webster’s Collegiate Dictionary the word “**Physics**” mean: *Greek - Physika*, Plural *Physikos* of **Nature**. Fr. *Physis* **Growth, Nature**. From *Phyein* **To Bring Forth**. “**A Science that deals with Matter and Energy and their interactions**”.

Question: Is there any relation between the word Qatum in Nuwaupic and Quantum in English they sound the same?

Answer: Yes, the reason why we say **Qatum (Melanin)** in our **Ancient Egyptian Mystery Language** called **Nuwaupic** and the word “**Quantum**” are the same words phonetically, because as you know we **Ancient TaMa-Rean (Egyptians)** known today as **Nuwaupians**, saw ourselves as the **Supreme Beings, Children of Nature (Neteru)**, Children of **PAUT (ALL)** as a **Quantum Being**. **Quantum** meaning “**four**” representing the **4 principles** and **Cycles in Nature**, in **TaMa-Re (Egypt)** they where know as

What is Qatum Physics?

Atum-Re, Atun-Re, Amun-Re and Anun-Re, giving you a **Quadity Principle**, and not a **Trinity**.

In ancient **TaMa-Re** we always acknowledged the **Female (Feline) Forces of Nature** or the **Feminine Force** or **Principles in Nature**. We **Africans**, represent a mighty race of People that have survived all Cycle changes within **Nature**, linking us to **PAUT (ALL)**. We Ancient **TAMA-REANS** Children of **TA (Earth)**, **MA (Water)**, and **RE (SUN)**, acknowledge ourselves as **Quantum Beings**, because of our physical make up. Within our skin we have Gold and that Gold we refer to is "**Melanin**". **Melanin**, manifest on this side of **Hydrogen (H1)** from the **Black Etheric** womb of the **Higher Planes** or **Abodes of Existence** as **Light**, and when you see **Full Spectrum Light** in its **Physical State**, it manifests as **Blackness**, and the Manifestation of the **Solid form of Light** is **Melanin**.

As **Qatum Beings** and **Children of PAA RE (The Sun)** what we must start to acknowledge and become aware of is that everything is connected and is defined as different **Rates**, or **Modes of Vibration**. So through your **DNA** and **Melanin** and your whole physiological (body) make up as a **Melaninite, 9 Etheric Being** you are linked to

What is Qatum Physics?

the **Universe**, linked to the **Sun (PAA RA, RE)**, **Planet Earth (PTAH-NUN)** and all other **Celestial Bodies**. **Melanin** or what people are calling **Melanin** is really **Carbon** based, also know in our **NUN Science** as **Sun Heat Genes**.

Sun Heat Genes are in actuality a burning that is taking place in the cells, which are known as **Mast Cells**, and that burning that is taking place actually burns towards the service of the skin. Remember **life is a burning!** When you take the time to look at Male, **Masculine Energy** with a positive (+) charge, ***“The Giver”***, and Female, **Feminine Energy** with a negative charge (-) ***“The Receiver”*** come together and cause friction or Heat it causes a **Spark of Light** which is the 1st point of Light (**Atum-Re**). **The Sperm** (the Light or Life carrier) travels up the spine of the Male to the Crown Seat (**Pineal Gland**) and receives the 2nd spark (**Atun-Re**), this newly charged Sperm cell travels back down through the **Uretha in Males** and gushes forth into **the deep primordial abyss, “The Womb”** and reaches the egg and the 3rd point of light occurs inside the womb (**Amun-Re**). From **Amun –Re to Anun-Re to Atum-Re, 3 points of Darkness**, all happening within the **Principle of the Qadity**, and linking our being to **Quantum (The ALL in ALL)**. The Minds of the world are now ready to receive **Quantum**

Question: Is there a connection between the word Qatum for Melanin in Our Ancient Egyptian Mystery Language called Nuwaupic and Quantum Physics?

Answer: Yes there is definitely a connection, through your **Melanin** which is a condensed form of **Light**, you as a **Qatum** being are connected to **ALL**, that which Scientist are calling **Quantum**.

Melanin is a pigment responsible for the color of skin. When **Melanin** does not appear in the skin, it is deficient; however this has nothing to do with the amount in your **Brain** called **Neuromelanin** also know as **Supreme Melanin**.

Neuromelanin is a form of **Melanin** found in the **Central Nervous System**. Scientist and doctors today try to reduce the importance of **Melanin**, by overlooking the significant difference between **Brain Melanin** and **Skin Melanin** properties. **Neuromelanin** does not run parallel with your **Skin Melanin**. Whether white, red, yellow, black, brown, or albino, **Neuromelanin** plays an important role in functioning of the **Brain** and **Nervous System**.

CENTRAL NERVOUS SYSTEM

Question: What is the importance of the Nervous System?

Answer: The **Nervous System** is the **Communications and Control Network** of the **Body**. Through **Electrochemical (Electric Chemical)** impulses it **senses, sorts, stores** and uses **messages** that control everybody function and process. It is also responsible for thought, strategy and decision making. Your **Nervous System** is composed of an enormous **Network of Nerve Fibers** and cells that reach every part of the Body.

The **Cerebrospinal Nervous System** or **Central Nervous System** consists of the **Brain** and the **Spinal cord**. It coordinates almost all the activities of the body. The **Central Nervous System** receives information from all parts of the **Body** by incoming **Sensory Nerves**; It then sorts out this **information** and it sends this **information** in its proper orders through the outgoing motor nerves and then to the parts of the body requiring adjustment.

Melanin - A Gift from Nature (Neteru)

It is a known fact that **Melanin** is found in abundance in **African People** all over the world. **Melanin** is a gift from the **higher Forces of Nature**, in **Ancient Egypt** called **Neteru**.

Question: What is Melanin?

The **Pigment Melanin** is produced by **cells** in the **Epidermis** called **Melanocytes**. **Melanin** is defined as: *According to the Merriam Webster's Colligate Dictionary* as: ***Melanism** – 1. An increased amount of **black** or nearly **black pigmentation** (as of skin, feathers, or hair) of an individual or kind of organism. 2. Intense Pigmentation in Man in skin, eyes, and hair – **Melanistic**, Adj.

Melanin – 1. Any of various **black, dark brown, reddish brown, yellow pigments** of animal or plant structure (as skin or hair)

Melanocyte – 1. An **Epidermal cell** capable of Synthesizing **Melanin**.

Melanocyte Stimulating Hormone – 1. A **Hormone** secreted by the **Pituitary Gland** that regulates skin color in Human Beings and other

What is Qatum Physics?

What is Qatum Physics?

Vertebrates by stimulating **Melanin** synthesis in **Melanocytes** and **Melanin granule** dispersal in **Melanophores** also called **Intermedin**.

Question: Why is Melanin important?

Answer: Excellent question! **Melanin** is important, because it is the most **Primitive meaning Prime, Primary – 1st, and Universal Pigment** in **Living Organisms**. **Melanin** is produced in the **Pineal Gland**. Abundantly found in **Primitive Organisms** such as **Fungi**, as well as advanced **Primates**. Furthermore, within each living organism, **Melanin** appears to be located in major functional sites. For example, in Vertebrates, **Melanin** is not only present in the skin, eyes, ears, **Central Nervous System**, and the diffuse **Neuroendocrine Loci**, among other things.

Melanin can be found in the **Pineal Gland (The Black Dot)**, **Pituitary Gland**, **Thyroid Gland**, **Thymus Gland**, **Parathyroid**, **Adrenal Gland**, and **Carotid Body**. **Melanin** is abundantly present in the viscera, including the **Heart**. The **Liver**, the **Arteries**, the **Muscles**, the **Gastrointestinal tract**, and the **Gonads**. Thus within each and every living organ which aids the Human body **Melanin** appears. Regardless of what color your skin appears to be all **Genes** in all creatures on this

planet are black because they are all coated with **Melanin**.

Question: How much Melanin can be in the Skin of any one individual?

Answer: The amount of **Melanin** in the skin is one of the most variable of Human traits, and many Polygenes' are involved. Groups of people or the population of the world were once classified according to skin shade: Black, (Africans) White (Caucasians – Europeans), Yellow (Orientals) and Red (Indians) Etc... You should realize that just because this is the way they have classified people does not mean this is a fact. The Hues of color of your skin depends on several factors. First is the amount of **Melanin** in the outer layers of the skin. **Melanin** acts as a filter to prevent damage to the delicate deeper layers of the skin, by penetration of **Ultraviolet Light (Black Light)**.

Question: Is there only one Type of Melanin?

Answer: No, of course not! As mentioned earlier you have **Brain Melanin**, known as **Neuromelanin** called “**Supreme Melanin**” which must be activated in this day and time, and then you have **Skin Melanin**. **Neuromelanin** does not run parallel with skin melanin. No matter what

What is Qatum Physics?

race, **Neuromelanin** plays an important role in the functioning of the **Brain**, and **Nervous System**. **Melanosomes** (Small structures within the **Melanocyte Cells** where **Melanin** is synthesized) find their way into the hair cells, giving them color. (Two types of **Melanin**, one dark brown and one red, are responsible for all hair shades.)

Pigments that contribute to skin color are called **Carotene** (Yellowish), **Hemoglobin**, in blood vessels (Pink-Red), and **Melanin** (Black, Brown, and Red). Darker skins are dominated by **Melanin**, which is produced from **Amino Acid Tyrosine**, by Pigment Cells (**Melanocytes**) in the Skin.

Question: Can you explain again how skin color is determined?

Answer: Sure, **Melanin** is produced from the **Amino Acid Tyrosine**, by pigment cells called **Melanocytes**. You have the sacs within the **Melanocyte**, called **Melanosomes** that actually make the **Melanin**. These little sacs or chambers of **Melanin**, determine your skin color. When there is a little bit of **Melanin** in the **Melanosome**, the little sac or chamber, you look white (pale). When it's totally filled you look

Black. Skin tone is determined by amount and type of **Melanin**, the **Melanosomes** contains.

Question: Yellow Melanin or Pigment is the 1st stage of melanin how so?

Answer: Just like when you look at the flame of a fire, what color do you see 1st, the yellowish amber light. So that is the 1st spark or the initial reaction, then as the burning keeps burning the result is the fine **pure Carbon, blackness**. The Jet black, **pigment** as seen with most of our brothers and sister in **Africa** today! As **Carbon** burns, it turns into a **black substance**, which is one of the definitions of **Melanin “A Dark Brown or Black Animal or Plant Pigment.”**

Question: What is so important about Melanin?

Answer: **Melanin** controls all **mental** and **physical body activities**. **Melanin** is an extremely stable **Molecule**, and highly resistant to the digestion by most **acids** and **bases**, and is one of the hardest **Molecules** to ever be analyzed. If you do not “purify your **Melanin Molecule**”, you will not heal your body of Diseases.

Question: What people have the most Melanin?

Answer: African people around the World have the most **Melanin** on the **Planet Earth (PTAH-NUN)**, thus making them the “**Children of the Sun**” (Melaninites).

Question: Can your Melanin become toxic?

Answer: Yes, indeed **Melanin** can become toxic, eating the **improper foods**, having a diet that consist of a lot of **starches** and **Animal proteins**, a lot of **refined sugars**, and ***basically eating food out of their natural state***, from what **Almighty Nature** has intended will have dramatic effects on your **Melanin**. When this occurs over a continual period of time, **disease (dis-ease)** manifest, also not getting the ample amount of **the Sun's (PAA RE) energy** can also have **negative** effects on your **Melanin**. **Melanin is deranged** only when it becomes **toxic**. **Any individual who might have toxic Melanin will act in a very similar manner, that which is Animalistic, and Barbaric**. **Melanin is a civilizing chemical when it is not toxic!** **Melanin has physical properties, and personality traits, which distinguishes it from others. That's why your body is dedicated to making Melanin.**

Questions: So, what is the Ultimate difference between Africans who have an abundance of Melanin and the European (Pale Race) who is Melanin recessive?

Answer: The Gift of **Melanin** comes from **Almighty Nature** in our ancient **TaMa-Rean** (Egyptian) teachings we called the **Forces of Nature (Neteru)**. **Melanin** is a refined **chemical** located in the **body** and in the **Environment**, which gives you a connection to all Nature that surrounds you. You are connected to Nature thus connected to **“ALL”**.

What's unique is **Europeans** only use what is called the **“Visible” Light Spectrum** because **“they do not process Light or Sound within their bodies”**, so they have to create *fictitious Light* from **Television** and **Radio Waves**, and try to tell you, the **African** that it is impossible to process **Sound** or **Light** within the **body**. Europeans the **Pale Race** had to create these things outside of themselves like **Microwaves** because they naturally do not have it, they do not have the gift of **Melanin**. **“It is in your Melanin that the ability to process Light and Sound exist!”**

It is the **Full Spectrum of Light (Whole Light)** when personifying in a Physical State manifests as **Blackness (Black Light)**. Meaning when all

What is Qatum Physics?

forms of Lights are combined they appear **Black**. On **Planet Earth (PTAH-NUN)** the solid form of light is **Melanin**. That's why Dirt the Soil of the **Earth (PTAH-NUN)** is **African (Black People)**, the **Adamah** of the ground. Beings with **Melanin** in their skin are what you refer to as **Black**. However when the "**Visible**" **Spectrum of Light** appears, and manifest altogether, it is seen as **White Light**. This is no coincidence that beings on this planet called **Earth (PTAH-NUN)** that are **Pale skinned** are reflecting the **Visible Light Spectrum**. We know the *wavelength frequency of energy* people without **Melanin** possesses can be measured at **400 to 700 Nanometers**. That is the frequency of Light that their body is made out of. However, you **Africans wavelength frequency Vibrates from 000.1 Miles to 3100 Miles**.

Question: So when you start to Observer the Spirit (Etheric) world it looks back?

Answer: Yes this is true. The observer (*giving attention*) is part of the phenomena being observed. What you **think** you **create**, where your **attention** is there you are – and you are becoming that. What you meditate upon you become. **Attention** is power of energy (**e-motion**) in **action**. Life is a compelling force and

What is Qatum Physics?

your attention to a thing compels life to flow there. Where your attention is there you are – what your attention is upon that you become. It is imperative to make effort control the attention. Through attention and governing of your feelings (**Emotion, Energy in motion**) you can become master of your world. The Power of Thought will become more and more important in these days and time. Now is the time to embrace a new type of **Perception** called “**Quantum Thinking**” (**Nine Reasoning**).

When you are dealing with **Quantum Thinking** you are dealing with **ALL (PAUT)**, you are dealing with your connection with **The ALL (PAA PAUT)**, “**MIND**” over “**MATTER**”. The **Nuwaupic** word for **Melanin** is **Qatum**. The same as **Quantum** which is **4** dealing with our Ancient Principle of 1.**Atum-Re**, 2.**Atun-Re**, 3.**Amun-Re**, 4. **Anun-Re**, Being, the **Melaninites (Africans)** that have survived throughout all Cycles within the **Nature of Nature**, and we are the **Etheric** and **Physical Ascendants** of the **Descendants** or the beings that Decedent down here from **Triple Darkness (Ethereal Vibrations)** that have existed for **76 trillion years**, in that **Pure State of Blackness (NUN)**, **Supreme Balancement**.

What is Qatum Physics?

The **Egyptians** were known as **Alchemists**, that is **Chemists**, as you can see the names of the Deities and what is ascribed of the Deities and what is ascribed to them, they begin before the manifestation of **Nature** and **Matter** as you know it, which puts them into **sub-atomic energies**, as **Quarks** (**Spirit KAA**), **Bi-Aps** (**Soul BAA**) and **Zedes**.

Question: What is the Weight of a Zede?

Answer: On the **Elemental Chart** of **Matter** as you know it **“Zedes”** would have no sum, or weight, making them **nothingness** when weighed on the scale of sum, to something with weight by the **Law of Measurement**. Its center contains **Neutrons** and **Protons**. So, you can see where they get the concept of **Gods**, living in a **Spiritual Realm**, other than the **Physical realm** would be the **link** from the **Material Plane** (**Conscious Mind**) into the **Plane of Force** (**Subconscious Mind**) on to what becomes known as the **Spiritual plane** (**Emotions**), then **Mental** (**Super Conscious – Mental Reservoir, 4TH Dimension**). Notice, there are **Four Planes** and the word **Quarks**, or **Quantum**, is from the number **Four**. In Ancient **Tama-Re (Egypt)** you had the **4 Principles** or **Quadity** which is **Atum –Re, Atun-Re, Amun-Re**

What is Qatum Physics?

and **Anun-Re**. The **Mental** is the next level (**Orbital level**), **Conscious level of Existence**.

The School of **Mind** over **Matter**, where we are revolving to **Homo Spiritus**, **Mental Beings** were the **3rd Dimension** interfaces with the **4th Dimension**. We are now aligning our Minds with energies below the **Quark** which is the **Father of energy (RE)**, to the **Biaps** which is the **Mother of Energy (Neith – Mitochondria DNA)**. It is time for the activation of **Supreme Melanin** which is **Neuromelanin**. We are going beyond the **Quark** now to **Biaps** also termed **Exotic Matter** or **Mesons**.

Question: What are Biaps or Exotic Mesons?

Answer: According to the Merriam Webster's Collegiate Dictionary **Mesons (Biaps)** are: any of a group of **fundamental particles** (as **Pion** and **Kaon**) made up of a **Quark** and an **Anti Quark** that are subject to the **Strong Force (Strong Nuclear Force)** and have **Zero (Zero Time Reference)** or an integer number of **Quantum** units of spin.

Mesons, the hidden meaning of the word **Masons (Ma Son of Re)**, **Ma = Mother**, also **M=Mitochondria DNA** and **Other** you get the

What is Qatum Physics?

word “**Mother**”, then you have **Son = Boy or Sun (Re)** – “**My Son of Re.**”

Ma is short for the **Sumerian Goddess Mami, Mammi, Mam –Mee or Mammitum**, The mother **Deity or Goddess** who procreated all Mortals. Taken from **Maat**, or **M’aat**, the Egyptian Mother “**Goddess of Justice**”, the **Mother of Justice and Order (Order coming out of Chaos)**. **Ma’at** is the **Netert, Guardian or Supreme Being of Order**, again Order out of Chaos, so you have Order (**9Ether Life Cycle**) out of Chaos (**6ether Death Cycle**).

The “**Solar Cycle of Re**” (**RA**) (The Cycle of the **Quark – Quantum, Quantum Leap, and Mind Power**) comes back around (**Revolve, the Revolutionary Cycle**) with its **Zero Time Reference**, “**Now**” is the Time (**Mesons, Exotic Matter which is still Matter**).

Question: Is that where Religions get their Spiritual spook world from?

Answer: Yes, they refer to them as **plasma, plasmatic energy, and exmo-plasma**. The word **Plasma** is from the New Latin, from Late Latin, “**Image**”, “**figure**”, from Greek , from **Plassein**, “**To Mold**, “ where **Energies and Gases (9 ether**

What is Qatum Physics?

or 6 ether) are Molded into images called **Etherians**.

We must begin to perceive (**Perception**) on a **Quantum** level that is “**Super Consciousness**”, to be able to follow each cell in your body if you wanted to. These new generation of **Physicists** beginning with **Albert Einstein** have developed a “**New Physics**.” They now know that matter, that is, everything which can be perceived with our senses, including our bodies, is an “**ILLUSION**” meaning it “**Alludes**” to something else of a higher finer quality within nature.

When look at **Matter** the way it truly is, we would see structures that appear as small **Planets** and **Moons** circling them at lighting speeds. **Matter** is made up **Atoms** and when viewing the structure of the **Atom** you will see that an **Atom** is not even solid but is made up of even smaller **energy particles**. The **Atom** is said to be composed of a positively (+) charged “**Particle**” called a “**Proton**” and a particle with no charge (N) a “**Neutron**,” in the center. These two particles are said to be surrounded by an **Electron** which carries a negative (-) charge and revolves around the **Nucleus**.

So as you can see even the most solid looking structures are really moving; everything is in

What is Qatum Physics?

perpetual motion, nothing rests. Further, we would see that matter seems to come out of nowhere (**Now-Here**) and then goes back into "**Nowhere-ness.**" (**Now –Here**), because we are not going anywhere, we are not coming from, or going to, we are **NOW beings**, ALL in ALL. As all "**Matter**" is composed of the same "stuff," the different objects we see in the world are merely different combinations of the same material substance common to all things; this is what is meant by an **illusion** or **appearance of multiplicity** and **variety**. These "**New Physics**" say that "**Matter**" is nothing more than **Energy** (**E-motion, Energy in Motion**).

Particle accelerator experiments attempted to break down **Atoms** into smaller units by colliding them at great speeds. Scientists found that when a positively charged **Proton (Matter)** and a negatively charged **Proton (Anti-Matter)** are crashed together, particles turned into **Energy (Wave Patterns)** and then back to **Matter** again. **Energy** and **Matter** are therefore, interchangeable. This interchangeability of **Matter** and **Energy** is represented in the famous formula $E=mc^2$ by **Einstein** who initially developed this theory mentally (without experimentation). Therefore, even the most solid looking objects are in reality **Energy in motion**

What is Qatum Physics?

(**Emotion**) at different vibratory rates (**Vibrations**). **Atoms (Energy)** come together to create **Molecules**, and **Molecules** form objects. If **Matter** is in reality **Energy**, then what holds it together and causes it to appear as the varied “**Physical**” objects of the universe? **Matter /Energy** is held together by **Consciousness**. **Consciousness** is the underlying support of all things in the **Universe**. **Matter** cannot exist without your “**Consciousness Awareness**” to give it form and to be the **Perceiver** of its existence, because **Matter** is only an **illusion** projected by the **Conscious Perceiver (Awareness)** who uses **Sensory Organs (Sight, Hearing, Tasting etc...)** to perceive with, and a **Mind** to interpret that which is perceived. **Atoms** become **molecules** and **molecules** compose all **matter**.

Further, modern science has discovered that even objects of the world which appears to be separate, such as human beings, is in reality “***exchanging pieces of each other***” on a continuous basis. That is to say, every time we breathe out we are expelling **Atoms (ATUM)** and **Molecules** from our internal organs. Therefore, every time we breathe, we are sharing pieces of our bodies with other people and with the environment.

What is Qatum Physics?

Another interesting thing to take note of is around every Human being there is what is called his or her “**Aura – An Electromagnetic Field**”. Human beings are a Planet as well you are a living organism “**entity**” moving through out Space and in turn you as each Human being are a Universe of your own. You have millions up millions of micro organisms, living on and within you. Humans are the **Microcosm** to the **Macrocosm**. As above So Below, is a Universal **Sacred Egyptian Principle**.

Human's beings **Aura** is his or her **atmosphere** around there body (**Planet**) they exert influence or affects on their environment, some pleasant, some not so pleasant. Just like the Planet Earth (**PTAH-NUN**) has an atmosphere, so does the Human body called your **Aura**. Just like Planet Earth's (**PTAH-NUN**) atmosphere emits mood changes manifested by weather or in the form of weather, so does the human body. We call it **Emotions (Energy in Motion, Movement)** or **Electromagnetic Field**, which emit colors, vibrations, and tones, rhythms etc.

Your **Aura** is charged by your “**Mental Thought Waves**”, the foods we eat affect our mental thinking capabilities. Human beings **Aura** are linked to the Planet Earth (**PTAH-NUN**) and

What is Qatum Physics?

everyone and everything around you. You are linked to the stars because you are linked to the Earth (**PTAH-NUN**), which is linked to a grander solar system “**the Milky Way**” (**where you will find the Central Sun called Central Vortex**) which is linked to other **Galaxies**.

Humans are linked to and are influenced by their environment; they are linked to the plants for plants have an **Aura**, Animals have an **Aura**, Trees, Bugs, Insects, Dirt, Water, All emit an **Aura**, a **Mood**, and a **Vibration**.

Now Scientist have learned that what they are calling **Matter** is not the final stage, and what they calling **Atomic Energy** is not the final stage. Once they found out that an **Atom**, a **Hydrogen Atom** which they have claimed is the lightest sum of energy for the last 100 years. Once Scientist found out that the **Atom** wasn't the lightest and that there where **Quarks**, and then after that **Zeles**. Always through school when they taught us about **cells**, they would always compare a cell to an **Atom** and an **Atom** to a cell. They would teach that an **Atom** has a **Nucleus**, and it has **Electrons** and **Protons**, moving around it, just like the **cells** in the Human Body.

So when Scientist became aware of the fact that **Hydrogen** which they thought was the lightest

What is Qatum Physics?

Atom is not that there is invisible **Matter** know as “**Dark Matter**”, **Matter** that does not have a sum, by that I mean the word we use “**Something**” really comes out **S-U-M Thing**, the “**SUM**” of the “**Thing**”, “**SUMTHING**” what it amounts to. So Scientist say **Hydrogen** is the lightest **Atom**, or the lightest thing in existence, once they found **Quarks** they have to alter, all the scales and all the weights be it metrics or whatever. Because there is no weight for **Quark**, there’s no substance for the **Quark**, there’s no density for the **Quark**, so it is actuality a “**Spiritual Thing**”, they have confirmed exist when for years they couldn’t prove that the spiritual world exist. The acceptance of an **Element** lighter than an **Atom** is admitting that there is some existence intelligent that is not perceivable by any equipment that they have made to date.

So with that being related to energy, now let’s go to the Human cell so when they found that out then they must have also found out that beneath the lightest, and the smallest form of **Matter** , there must also be intelligent **Energy**, so they confirmed the **BAA (Soul)**, and the **KAA (Spirit)** and the **AKH (Ether)** of ancient Egypt, that there is a spiritual world, there is an **Etheric** world and intelligent abode that they are now tapping into

What is Qatum Physics?

with computers because they could not tap into it with the ordinary mathematicians mind because they use math to do this.

So what they call these new “**Spiritual Computers**”, are **Computers** that are able to detect or sense intelligence not perceivable by the Human eye. They are looking into **exmoplasma** and the spiritual world. Now what the creators of these new types of computers don't know is the gates of the spiritual world, and when they open them, when they make this **magnetic link** the way we do with **electricity**. When you make a mistake and grab electricity, it has a thing, you grab it and it grabs you, and it decides to travel from its destination and include you in its path, and it zooms through your whole body!

When they bite into this spiritual world with these computers what Scientist don't want to admit is that when they grab it, it's gonna grab them, now do they know that happens? Yes, it's called the **Ouija Board**, and they have admitted over the years if you play with an **Ouija Board** you can open up a **Porthole (Vortex)** or a gate to another side where you will be plague with **Demons (Demonic – 6Ether Forces)** for the rest of your life.

What is Qatum Physics?

No Jesus is not coming through the **Ouija Board** for you, however there will be people on the other side **disembodied souls (Six Etheric Gas Forces in Nature, Death Forces)** that will speak to you and pretend they're Jesus, and then tell you "see you have to go out and save the world," "you got to go out and kill all those people," because these **Spirits (6ether, 3ether Gas Forces)** take pride in having an effect on the spiritual world. These are people who died prematurely, died in hate crimes, died by brutal

What is Qatum Physics?

murders, and they are now **ethetically** trapped in this realm with you, they are called **disembodied souls**. Oh you feel them, you feel them on

the back of your neck sometime, you feel them breathing, you feel sometime when you are walking, they step periodically into this realm by accident but you know what enhances their presents? **The adrenaline in your body, the FEAR!**

See a dog also picks it up, that's why they say a dog can tell you are afraid and will go after you. Also a Dog can hear sounds you don't hear, and see things on a level, they see **Spirits** you don't see so can **Cats** and that's why they use **Dogs** and **Cats** in **witchcraft**, because they have a link to both worlds. Now they have come to the reality that these things are no longer the twilight zone, it's real! And now they are able to weigh the **Soul**, they are able to detect through **Kirlian photography** the reality that if they clip off your finger, that something is still there, and they can pick it up with a camera, they can actually film it. Did you know that, it's called **Kirlian Photography**, look it up! They can remove your arm and put it under a light, and they will see your fingers and everything come right back

What is Qatum Physics?

even though there's no arm there. This is a fact today!

So they have to accept that there was something about that **Bible**, Something about that **Koran**, and something about that **Torah** which all came from the **Egyptian** writings you overstand, something about that religion that they got from those **Egyptians** your **Celestial** and **Physical Ancestors** and there connection with the stars and there talk about the Soul (**BAA**) and the Spirit (**KAA**) and the Etheric (**AKH**) you, the **BAA**, the **KAA**, and the **AKH**, or the **Rooakh**, or the **Ruwh**, in the Torah, or the Holy Ghost.

Question: So at what Point in Existence do you meet God or Allah or Re (Ra)?

Answer: You meet this **Energy** in the **Gas**! Because as you scale up the planes from the **Material Plane**, (**Solid**) to the **Plane of Force** (**Water, Energy, Water creates Current**) and after the **Solid** which is the Mask, **the Body**. The **Liquid** which is the **Water**, the **Blood** then you have the **Gas**. So you have **The Physical Plane**, **The Plane of Force**, and **The Spiritual Plane**.

Now when you take those 3 Planes and overlay them in Degrees of Existence, which are known as The Plane of Mortals and Men (**Physical**

What is Qatum Physics?

Plane), the Plane of Force (**Angelic Forces, Beings**), The Spiritual Plane (**The Plane of Ethers**), Now you can say you where “There” which is “Here” when the word said exist! You where in an **Etheric State** which became this **Physical State**, you were there which is “Here” when the word was spoken “**Exist**”, or “**Be**”. You exist through that whole state, either going this way towards **Hydrogen (H1)** or that way stepping back toward the **Etheric (E1) World**. The **Physical Elements** or the **Etheric Elements** are all within **The ALL**.

The State of Nothingness is when a form of **Energy** is in “**transit**” or “**transition**” to another. Meaning when you on the Earth Plane, go back to the Lightest **Element** before **the Quark** was identified, you got back to **Hydrogen (H1)** you know that because they called it one, you know that because everything on the other side of one(1) is zero(0), non-existent, **Naught** (not here). **Quark** was existing in a **State of Nothingness (No.Thingness)**.

We had to become “**Conscious**” that we needed **Spiritual Guidance**. We needed to become aware that we need a **Spiritual Guide** to raise us up mentally from Person (1), Places (2), and

What is Qatum Physics?

Things (3) back to all or **Quantum thinking (Nine Reasoning)**.

So we Humans started asking about Beings that vibrate on different degrees of **Ether**. When you say from **(H1)** meaning **Hydrogen** into **Quark**, **Quark** is going to extend, until they overstand **Biaps**, which is a **Bi-Aperture**, the **Mother of Energy**, in **DNA** its **Mitochondria DNA**. **Being** really means **density level**, **density level** is **speaking about a process**. To **“Densify”** is to go towards **hardening**. When they speak about the **vortex**, and the **stream of vortex’s** that is above us, and they speak about it in the **density levels**, you would only identify with **Density**, from where you are, and how dense you are now.

Question: You Mentioned Mitochondria DNA, How Important is Mitochondria DNA in this day and time?

Answer: Oh it is very important in this day time. Being we are **Qatum (Melaninite) Beings** we are linked to **ALL**, meaning **All Space**, **ALL Matter** and **ALL time** on into **infinite** and **beyond**. Well as you have been reading you now should realize through your **Mind Power** you are able to literally think past the point of when you where conceived in the **Womb of your Mother** and tap into Higher forms of your **DNA**. Just by what we

What is Qatum Physics?

call “**Quantum Thinking**” or “**Nine Reasoning**” you can scale the **infinite** and **boundless** field of your own **Personal DNA** which is linked to **ALL** through your **Hadus Qatum (Divine Melanin)** and make a **mental link** with all your **Great Ancestors**, and receive **inspirations, revelations** and **Supreme Guidance**, for your life and all others around you. Remember “**YOU**” are the **Master Key!**

Now when dealing with **Mitochondria DNA** which on a **Molecular** level is now known as **Biaps** or **Mesons** which is the “**MOTHER**” of all energy, puts your whole being (**MIND, BODY, SPIRIT, AND SOUL**) on the channel of receiving from the very essence of **LIFE Forces (Nine Ether)** throughout the **Boundless Universe** which we call “**Infinite and Beyond**”.

Question: So what is Mitochondria DNA?

Answer: Well according to the Science World they have discovered that **Mitochondria DNA** is the oldest **DNA** found on the **Planet Earth (PTAH-NUN)** passed down from **mother** to child, and in reality from **Mother** to **Daughter**. This **DNA** comes from outside the Nucleus in a compartment of the cell called “**Mitochondrion**” which produces nearly all the **Energy** to keep the **cell** healthy and alive. This **DNA** does not get

What is Qatum Physics?

mixed with the **father's DNA**; instead, it is passed on unaltered from **mother** to **daughter** to **granddaughter**, and so on through the generations. Thus it is perfect to **trace ancestral relations**.

This discovery, by **Douglas Wallace** of **Emory University** in 1980s, led him to compare this **Mitochondria** of about **800 women**. The surprising conclusion, which he announced at a scientific conference in July 1986 A.D., was that the **Mitochondria** in all of these **Women** must have all descended from a "*single female ancestor*". The research was picked up by **Wesley Brown** of the **University of Michigan**, who suggested that determining the rate of natural mutation of **Mitochondria**, the length of time that had passed since this common ancestor was alive could be calculated.

Comparing the **Mitochondria** of 21 women from diverse geographical and racial backgrounds, he came to the conclusion that they owed their origin to "**a single Mitochondria Eve**" who had lived in **Africa** between 300,000 and 180,000 years ago. This led to the research of **Eve. Rebecca Cann** of the **University of California at Berkeley**, had obtained the placentas of 147 women of different races and geographical

What is Qatum Physics?

backgrounds who gave birth at San Francisco hospitals, she extracted and compared their **Mitochondria**. The conclusion was that they all had a common female ancestor who had lived between 300,000 to 150,000 years. The upper limit of 300,000 years, **paleo-anthropologists** noted, coincided with the fossil evidence for the time **Homo Sapiens** made his appearance. Another Scientist made a discovery in prior to them back in 1974 A.D. named **Dr. Donald A. Johnson**. Her name was “**Lucy**” found in **Hadari, Ethiopia** bones dating back **3 ½ Million years**.

The **Mitochondria DNA** is only given from **Mother** to **Daughter**; the **Male** species does not have any **Mitochondria DNA**. This is just further proof that the first person to walk on the planet was a **female**, an **African Woman**!

What is Qatum Physics?

Question: If Men do not have Mitochondria DNA, then how do Men tap into the Forces of Nature?

Answer: Men must realize that by nature you are “**Nature**” (**Neter**) as well, being **genetically** you do not inherit **Mitochondria DNA** does not mean you do not have direct access to **Nature** and the **Forces of Nature**. Being that all your **Ancestors** who are now on the other side of (**H1**) **Hydrogen** in the **Etheric Realms** of Existence residing within the **Plane of Forces** and **Higher Abodes** you have access to them via “**MIND POWER**”.

You must remember us as **Qatum (Melaninite) Beings** men and women are all linked to **Nature** (**Neter**). Where a Man would have to implement certain Spiritual Daily Practices to stimulate and wake up dormant **Psychic Powers**, **Women** Naturally have the gift. Always during the **Solar Cycle of RE (The Sun Cycle)** **Women** always rise back to their position as **GODS** and “**Tribal Leaders**”, known as a **Matriarchal Society**. It is during the **Moon Cycle (The Death Cycle of Nature)** That the **Feminine forces** in Nature in us and on Earth (**PTAH-NUN**) go to “**Sleep**” ONLY for the time where they will “**Spring**” or “**Revolve**” back around.

What is Qatum Physics?

The **Cycle** we are in now The **Solar Cycle of RE** as **Qatum (Melaninite) Beings** we will all benefit and most importantly our **GODDESS**, the **Original Mothers** of the **Universe** will take her rightful position and the **Men** who have took the time to **transform** themselves back into the **GODS** they are and are open to the **Feminine forces of Nature** will ultimately benefit as well. Remember in the **Etheric (Spirit) World** there is no Gender just **ALL**.

Now in this day and time **Feminine Energy** is “**MOST**” needed in order to heal the **Planet Earth (PTAH-NUN)**. It is the **Feminine forces of Nature** that we are dealing with in this day and time. **Feminine Forces of Nature** transcend **Gender**; those who are open to receive will Nature work through. We **Children of the Sun (PAA RE)** hold up our hands in reverence as healing energies are being sent down to recharge us and revitalize our **Supreme Melanin**.

The Subconscious Mind

Sub = Below, **Conscious** = Awareness (**Below Awareness**)

Subconscious: The Mental activity just below the threshold of Conscious Awareness – The Seat of the Fourth Dimension (The Plane of Vibration)

Your **Subconscious Mind** is the seat of your emotions (**Energy in Motion**), in the **Physical body** the **Subconscious Mind** is termed the **Abdominal Brain**, located just **three inches above the navel** termed the **Solar Plexus** (refer to the Book “The Solar Seat of RE”) and is the **Creative Mind**; when you think good, good will follow; when you think evil, evil will follow. This is the way your **Mind** works. The point to remember is once the **Subconscious Mind** accepts an idea, it begins to execute it. It is an interesting and subtle truth that the **Law of the Subconscious Mind** works for good and bad thoughts and ideas.

This law when applied in a **negative way** is the cause of failure, frustration, and unhappiness. However when your constant thoughts are harmonious and constructive, you experience perfect health, success, and prosperity. Peace of

What is Qatum Physics?

mind and a healthy body are inevitable when you begin to think and feel in the right way.

Whatever you claim mentally and feel as true, your **Subconscious Mind** will accept and bring forth into your experience. The only thing necessary for you to do is to get your **Subconscious Mind** to accept your idea, and the law of your own **Subconscious** will faithfully reproduce the idea impressed upon it. The law of your mind is this: **You will get a reaction or response from your Subconscious Mind according to the nature of the thought or idea you hold in your Conscious Mind.**

Think the things you would see manifested, see them, know them, and you can leave it to your **Subconscious Mind** to bring them into being. For thought is *creative energy*. It brings into being the things that you think!

(Refer to the: Holographic Brain – 4th Dimensional Reality Master Key Vol. 18)

The Subconscious Mind – Doorway to ALL

The **Solar Plexus** is the point where **life is born** – where the uncreated becomes create; the unorganized becomes organized; the

What is Qatum Physics?

unconscious becomes conscious; the invisible appears; that which is dimensionless becomes measurable. The **Solar Plexus** is the **Seat of the Subconscious**.

Until we overstand and take control of ourselves, every thought that passes through the **Mind** affects the action of the **Solar Plexus**, and the **Solar Plexus** is the **seat of the Subconscious Mind** called the **Abdominal Brain**. **Non-Resistant thought expands the Solar Plexus; Resistant thought contracts it.** We must learn to control the action of the **Solar Plexus** just as we **learn to control** the **action** of the fingers in learning to play the piano; by **thought** and **careful exercise**. Make up your **Mind** to keep your light shining, your **Solar Center** expanded, no matter what happens or how you may feel. The **Solar Plexus**, or **Sun Center** or **your Central Sun**, is to the **Human Body** precisely what the **visible Sun** is to the **Solar System**. It is the **Source of ALL life and Light**. It is the **Manufacturer of Life and Light**. The **Solar Plexus** breaths in intelligent **will**, and breaths out **magnetism**. Remember breathing and thinking are one. **To think deep, Breath deep!**

Your **Intuition** is the voice of the **Subconscious Mind**, which is linked to your **SOLAR PLEXUS** that

gut feeling (**vibration**) in the pit of your **Stomach**, which is linked to ALL residing on the **Plane of Force** and operating your **Psychic faculties**. (*Refer to the Solar Seat of Re Book*).

The Power of Spoken word on the

“Subconscious Mind”

Question: How do we speak to our Subconscious Minds?

Answer: The best way to speak to the **Subconscious** part of your being is by way of what is known as “**Auto Suggestions.**” **Auto-Suggestions** is a term which applies to all suggestions and all self – administered stimuli which reach one’s mind through your five senses i.e. **Hearing, Tasting, Smelling, Seeing, and Touch** which all come out to be One sense and that is “**Perception**”. Another way of saying “**Auto-Suggestions**” is “**Self-Suggestion or Affirmation.**” It is the agency of communication between that part of the **Mind** where **Conscious Thought** takes place, and that which serves as the seat of action for the **Subconscious Mind**.

Through the **dominating thoughts** which one permits to remain in his or her **conscious mind**,

What is Qatum Physics?

whether these thought be **negative** or **positive** does no matter, **the Principle of Auto-Suggestion** voluntarily reaches the **Subconscious Mind** and influences it with these thoughts. No Thought, whether it be **positive** or **negative** can enter the **Subconscious Mind** without the aid of the **Principle of Auto-Suggestion**, with the exception of thoughts picked up from **the Ethers**.

The **Power of Spoken** word upon your **Mind** is real, and the repetition of these words, be they **positive** or **negative** is also very real. Now just think for a minute, living in a society full of negative press, negative news, negative music etc... well you get the point for now!

-THE ETERNAL TEMPLE OF NUN- (WORLDWIDE)

"YOU" ARE THE ETERNAL TEMPLE OF NUN.

WHAT DO WE MEAN? LET'S LOOK AT THE MEANING OF THE WORD ETERNAL. ACCORDING TO THE MERRIAM WEBSTER'S DICTIONARY THE WORD ETERNAL IS DEFINED AS: ETERNITY: HAVING INFINITE DURATION: EVERLASTING: TIMELESS. ETERNITY IS DEFINED AS: INFINITE TIME: THE STATE AFTER DEATH: IMORTALITY. THE 'IMMORTALS'

TEMPLE – LATIN TEMPUS (TIME)-THE ILLUSION

'DO YOU NOT KNOW THAT YOU ARE THE MOST HIGH'S TEMPLE, AND THAT THE MOST HIGH'S SPIRIT DWELLS WITHIN YOU? FOR THE MOST HIGH'S TEMPLE IS HOLY, AND THAT TEMPLE YOU ARE.' - THE HOLY BIBLE, 1CORINTHINAS 3:16

AS YOU KNOW THE PHYSICAL BODY IS THE "TEMPLE", WHEN TAKEN PROPER CARE OF SUSTAINS LIFE. THE PHYSICAL TEMPLE IS AN ANIMATION OF THE THREE HIGHER QUALITY TEMPLES THAT ARE MADE OF A HIGHER MORE FINER SUBSTANCE, (I.E. MIND, SPIRIT, AND SOUL). THESE THREE QUALITIES WAS ONLY GIVEN A "LIMITED TIME" TO WORK ON PERFECTION. OUR ANCIENT TAMA-REAN (EGYPTIAN) ANCESTORS KNEW LIFE IN THE TEMPLE (BODY) WAS VERY IMPORTANT WHICH IS WHY THEY SPENT THEIR WHOLE PHYSICAL EXISTENCE 'PERFECTING' ONES KHU (MIND), KAA (SPIRIT), AND BAA (SOUL) WHILE KEEPING THEIR KHAT (BODY – TEMPLE) PURE WHICH WOULD GIVE THEM MORE TIME. "THE WORST THING YOU CAN DO IS WASTE ONES TIME!"

NU - (NUN)

**ANCIENT (TAMA-REAN) EGYPTIAN WORD AND PRINCIPLE FOR 1ST, PRIME, HIDDEN POTENTIAL AND INFINITE POSSIBILITIES. THE ORIGINAL CREATIVE FORCES OF THE UNIVERSE (NATURE), THE BLACK LIGHT OF INTELLECT (MENTAL ENERGY), THE BLACK WATERS OR CELESTIAL WATERS KNOWN AS THE ETHERIC REALM, FORMLESS ETHERS, UN-MANIFESTED ENERGIES, NAMELESS.
THE ETERNAL NOW!**
